About the Family Ties List

Who's included in the list

- Active non-players in the major leagues and minor leagues in 2016 who have a relative currently or formerly in professional baseball, or was drafted by an MLB organization.
- Non-players include managers, coaches, scouts, owners, executives, umpires, broadcasters and other roles.
- In addition to Major League affiliated teams, relatives who played in the Mexican League, and Independent Leagues are included
- The list was prepared after the completion of the 2016 regular season, so that full-season rosters were considered.

Other notes about the contents of the list

- Current major leaguers in 2016 are in green-colored font.
- Former major leaguers prior to the 2016 season are in red-colored font.
- Relative's Last Org and Relative's Last Year columns refer to playing careers only. They may indicate a Minor League, Independent League, or Mexican League season, if in fact the player did not finish his career as a major leaguer.
- In some cases, a Relative had a role as a Non-Player, in which case the Non-Player's role, level and organization are also shown.
- When an asterisk appears with Relative's Last Year, it indicates the MLB draft year of the player but he did not actually sign with the organization that year.
- When an asterisk appears with the year in the Relative's Last Year as a Player column, it denotes the draft year of the player, but the player did not actually sign professionally.
- Role Level columns indicate major league (MLB) or minor league (MiLB).
