A Compilation of Baseball's Relatives
2019 - End of Season
Active Non-Players

About the Family Ties List

Who's included in the list

- Active non-players in the 2019 season who have relatives in baseball (current or past).
- "Non-players" include managers, coaches, scouts, owners, executives, umpires, broadcasters and other roles.
- In addition to Major League-affiliated teams, players and non-players who played in the Mexican League and Independent Leagues are included
- The list was prepared after the completion of the 2019 regular season, so that full-season rosters were considered.

Other notes about the contents of the list

- Current major leaguers in 2019 are in green-colored font.
- Former major leaguers (prior to the 2019 season) are in red-colored font.
- Players in black font have not appeared in the major leagues.
- For each active non-player in 2019, their current role, role level, and current organization are displayed.
- The relative of a non-player may be either a player or another non-player, regardless of when the relative appeared in baseball.
- "Relative's Last Org as Player" column indicates the last organization for which the player appeared, whether at the major league or minor league level. If the player was selected in the MLB Draft, but did not sign, the org is the team that drafted the player.
- "Relative's Last Year as Player" column indicates the last year of professional baseball the player appeared in, whether at the major league or minor league level. When the year also shows an asterisk, it denotes the player was selected in the MLB Draft that year, but never signed.
- "Relative's Last Draft Round" column is displayed only for players who did not sign professionally.
- "Role Level" columns indicate major league (MLB) or minor league (MiLB) for an active or former non-player.
- The list is available in alphabetical order of the active non-players, as well as the non-players' 2019 organization.
