A Compilation of Baseball's Relatives
2019 – End of Season
2019 MLB Drafted Players

About the Family Ties List

Who's included in the list

- College and high school players who were drafted by a Major League Baseball team in June 2019 and have a relative currently or formerly in professional baseball.

Other notes about the contents of the list

- Current major leaguers in 2019 are in green-colored font.
- Former major leaguers prior to 2019 are in red-colored font.
- Players in black font have not played in the major leagues.
- For each drafted player, the draft organization and round are displayed.
- 2019 MLB Appearance and 2019 MiLB Appearance columns are used to indicate whether drafted players played in the major and/or minor leagues during 2019 (Y=Yes).
- Relative's Last Org and Relative's Last Year columns refer to playing careers only. They may indicate a minor league season, if in fact the player finished his career in the minors.
- When an asterisk appears with the year in the Relative's Last Year as a Player column, it indicates the MLB draft year of the relative, but he did not actually sign with the organization that year.
- In some cases, a relative was not a player, in which case the Non-Player's role, level and organization are shown. Non-players refer to managers, coaches, scouts, owners, executives, umpires, broadcasters, front office and other.
- Relative's Pro Level as Non-Player values are MLB (majors) or MiLB (minors).
