

**Family Ties**  
**A Compilation of Baseball's Relatives**  
**2021**  
**Active Players**

**About the Family Ties List**

**Who's included in the list**

- Active major league players in 2021 who have a relative currently or formerly in professional baseball, or was drafted by an MLB organization
- The list was prepared after the completion of the 2021 regular season, so that full-season rosters were considered.

**Who's not included in the list**

- Former major league and minor league players who had relatives in professional baseball
- Current professional players whose relatives have only played college baseball. There is another Family Ties list for that category.

**Other notes about the contents of the list**

- Current major leaguers in 2021 are in green-colored font.
- Former major leaguers prior to the 2021 season are in red-colored font.
- Players in black font have not appeared in the major leagues.
- For each active player, his 2021 major league organization is displayed.
- For each active player, there are columns for 2021 MLB Appearance and 2021 MiLB Appearance. Y = Yes indicates which levels the player appeared in.
- When an asterisk appears with the 2021 MLB Appearance indicator (Y = Yes), it denotes the player made his major league debut in 2021.
- Relative's Last Org and Relative's Last Year columns refer to playing careers only. They include Minor League, Independent League, or Mexican League seasons, if in fact the player did not finish his career as a major leaguer.
- In some cases, a Relative had a role as a Non-Player, in which case the Non-Player's role, level and organization are also shown. Non players refer to managers, coaches, scouts, owners, executives, umpires, broadcasters, front office, and other.
- When an asterisk appears with Relative's Last Year as Player, it indicates the MLB draft year of the player but he did not actually sign with the organization that year.
- The list is available in alphabetical order of the active players, as well as the players' current organization.

**For more information about Family Ties**

Richard Cuicchi's book, *Family Ties: A Comprehensive Collection of Facts and Trivia About Baseball's Relatives*, (<http://thetenthinning.com/booksreviews.html>) compiled over 3,500 players, coaches, managers, scouts, executives, owners, broadcasters, and umpires who had family relationships in baseball through 2011.

**"Baseball's Relatives"** (<http://baseballrelatives.wordpress.com/>) is a website specifically devoted to emerging stories, new information, and expert commentary about the many family ties in baseball. It extends the **Family Ties** book with annually updated information (currently over 8,000 entries). The site is sponsored by TheTenthInning.com.

The latest **2021 Family Ties** list (<http://baseballrelatives.wordpress.com/family-ties-2021-season/>) can be found on the "Baseball's Relatives" website.

**Errors and Omissions**

While it is the intent to make this list comprehensive, there are most assuredly some undiscovered player relationships.

Please contact Richard A. Cuicchi at [richard@thetenthinning.com](mailto:richard@thetenthinning.com) for any errors or omissions.
